

Call for Workshop Proposals...

2008-2009 Friday Series

The NASW-Maine Chapter's Continuing Education Program offers professional workshops to bring social workers the information, skills training, continuing education contact hours, and professional networking opportunities needed for personal and professional development. We are committed to providing our members and other mental health care professionals with valuable continuing education opportunities. NASW-Maine Chapter provides a presenter stipend of \$400 per workshop, and we invite you to submit a 6 hour workshop proposal.
